

Recent Operations

By Paul Rardin

Blue Devils 13, Wildcats 14. So endeth another glorious foot ball season. When I think of the splendid sportsmanship always displayed by Hobson's Blue Devils I think of that line used by a recent commentator: "I don't matter whether you win or lose, it's how you play the game."

I take pleasure in welcoming State Highway Patrolman Varner to the Lake Okechobee Region. I sincerely hope he receives the helpful co-operation to which he is entitled.

I want to thank the dozens of folks who had a kind word to say about the souvenir foot ball program we issued for the game last night. It entailed a lot of hard work, but after hearing those kind words, it was worth it.

The Everglades News, published in Canal Point, was established in March, 1924 by Howard Shuman, took over management in August, 1934 when it was owned by Keith. In the year of its publication, the paper cost \$16,000.00 from Mr. Brown. Incidentally, The Everglades News has missed the Miami Herald since that day back in 1924 when Howard Shuman printed the first issue here on the paper.

West Palm Beach Canal in Canal Point.

Bring In A Deer From Cypress

Hunters returning from the Big Cypress state that game is far scarcer this season than last. The deer is being killed in the region where they have been working this summer. Some squirrel and wild turkey have been shot by the hundreds in lieu of the deer desired. Bird hunters report plenty of quail and dove, but that they are hard to locate.

Measrs. Fugh, Hill and Hobson were a trio of week end hunters in the Cypress. They brought home one deer. While watching for this particular deer, Coach Hobson states that the buck dreamed that he was a foot ball player, which he plans to work into a defense play next season. Frank says the buck did a bit of clever behind the line sneak work, and when he found he had an open field he made a buck dash, which resulted in the Coach's capture. Peacock making a dash for the goal line. However, though the shot by Hobson, one of the party brought him down, and deer meat was a portion of the evening meal menu.

Defense Tax Must Be Paid

Under the new national defense act to raise funds, Congress has placed a tax on the profits of the defense industry, and that is the reason the tax is now being paid at picture theatre houses. Manager Dobrow of the Prince and Everglades theatres, states that, exact account must be kept on each admission to the show houses, and pass holders do not escape the tax, and the income is paid over to revenue collectors.

Former Glades Man Sells Property

C. H. Himmelwright, who was one of the early promoters of Belle Glade, but who later settled and developed large citrus interests around Lake Paedema in Pasco County, where he has a large, light blue home overlooking that body of water, has sold his holdings to County Commissioner Stanley Cochran, of Dade City. In part price, he takes over the Comer apartment house in Dade City which he will manage. Mr. and Mrs. Himmelwright offered make trips to the Glades to visit the show houses, and pass holders do not escape the tax, and the income is paid over to revenue collectors.

THANK PUBLIC
Mr. H. C. Schwine, superintendent of the Everglades Memorial Hospital and Mrs. Evelyn Stewart, assistant superintendent, wish to thank all those who participated in the benefit show recently sponsored by the church society of the town. Also those making cash donations to the institution.

Miami Visitors In Belle Glade Tour Are Highly Pleased

60 Business Men In Group Made Visit On Saturday

On last Saturday afternoon and evening the Belle Glade Chamber of Commerce, assisted by the Senior and Junior Women's club, and the Migratory camp officials at Camp Osceola, had the honor and pleasure of entertaining a group of some 60 business men, and their women folk, at a "Last Frontier Party" at the recreational building at the migratory camp.

Guests began arriving around 4 o'clock, and each car was assigned a guide, who took them to all the interesting points in Belle Glade and vicinity, all assembling for the camp at 7:30 p.m.

Owing to illness, President James Scullen, of the Chamber of Commerce, was unable to preside over the meeting, to which he had looked forward to with great anticipation, so Larry Nahn, was elected to preside.

The opening prayer was made by Rev. James Dillard, Jr., of the Baptist church, and the group were extended by Rev. J. O. Jameson, and the response by W. P. Therkildsen, All Florida's editor.

As this was a so-called "Last Frontier" party, the menu was arranged to fit in with the theme. The menu consisted of: Beef, chicken, turkey, ham, and other delicacies. The menu was prepared and served by the members of the Senior and Junior Women's club.

After dinner, the group was taken to the Everglades Experimental Station, and its value to the farming community was explained. The station is located on the south side of the Everglades, and is a valuable institution for the study of the Everglades.

Mr. Therkildsen, who is well versed in farming problems, read an editorial, which was to appear in the Sunday Herald, which had more to do with the Everglades than with the migratory camp. He pointed out the need for the Everglades, and the danger that confronts them, as the result of the new National Wildlife law, which would wipe away their new business.

He stated that since Florida had the lettuce market with its Boston type crop, but lost it, when California and Arizona came along with their iceberg lettuce, and in a few years a brand of iceberg lettuce had been developed which was better than the Florida type, and which is fast taking the market away from the west. The lettuce growing area in California and Arizona grows iceberg lettuce, and is seeing their profitable crop away from them, combined with the danger of getting the lettuce market in the hands of the Florida type, which is fast taking the market away from the west.

California and Arizona growers seeing their profitable crop away from them, combined with the danger of getting the lettuce market in the hands of the Florida type, which is fast taking the market away from the west. Knott Turns In Loose Change

During the process of cleaning up the Everglades, Knott turned over to the State a large sum of money, which he had accumulated over a period of years, for the use of the State. The money was turned over to the State, and was used for the purpose of cleaning up the Everglades.

Board To Inspect Proposed Sites

The Board of Public Instruction has confirmed the act of Supt. John I. Leonard in assigning Ada Coats and Rena Henry to service on the Pahokee and Canal Point school facilities, and the transfer of Ethel Cleet, from the Pahokee colored school to the Jupiter school.

New Judge Named For Miami Circuit

New member of the Judiciary for the 11th district at Miami, has been named by Governor Ford P. Cane, in the personage of Stanley Milage, well known barrister of Miami. The position had been tendered to Leo S. Julian, but he declined the offer. The judge comes as a result of the increased population of the district.

Migratory Camp To Be Enlarged; To Call For Bids

Present plans for the enlargement of the migratory camp, which will provide for a consultation office and a modern, comfortable ward for use of camp members. Several of the isolation homes are now being used for this purpose at the camp.

Additional Housing Space Needed As More Migrants Arrive

C. F. Cline, manager of Camp Osceola, at Belle Glade, states that the Farm Security Administration, is having a large camp built for the extension of both Camps Osceola and Okeechobee, and that call for bids for the extension will be made about the middle of December.

Arrangements are also being made for the enlargement of the present camp, which will provide for a consultation office and a modern, comfortable ward for use of camp members. Several of the isolation homes are now being used for this purpose at the camp.

Members of the Pahokee Women's club, met at the camp on Monday afternoon session, at an interesting program. Mrs. V. C. Denton, program chairman of the day, knowing that many of the members were foot ball fans, decided to have a foot ball game. The game was played in the camp, and was a very interesting one.

Paul Rardin, publisher of the Everglades News, presided over the foot ball game. He stated that it was in 1930 that the first team took the field, having been coached by Principal E. E. Bishop and Rev. T. C. Denton.

Senator Pepper Pays Short Visit

Senator Claude Pepper, who made his last night before the annual meeting of the Florida League of Municipalities, was a visitor at the office of The Everglades News on Monday afternoon. He was on a trip from Orlando to West Palm Beach for his engagement and stopped by for a brief visit. He was accompanied by G. Pierce Wood, former speaker of the House, and by J. H. Steed of Orlando.

Crop Reports By State Bureau

The State crop report as compiled by the Agricultural Experiment Station at Gainesville, just released, makes this comment, as to the Glades:

Cabbage: Condition only fair, with much need of rain, early cuttings will be of mediocre quality, and cuttings will not reach car load dimensions until after Christmas.

Celery: Cold wave hit Sanford and Celery was damaged. Crop in fair to good condition, but cuttings in the Glades will not start until around December 20th. The lettuce market in the hands of the Florida type, which is fast taking the market away from the west. The lettuce growing area in California and Arizona grows iceberg lettuce, and is seeing their profitable crop away from them, combined with the danger of getting the lettuce market in the hands of the Florida type, which is fast taking the market away from the west.

State Patrolman Arrives And Will Start Work Here Monday

(An Editorial by Paul Rardin)

With the arrival of State Highway Patrolman Varner to the Lake Region, it begins to look like something is going to be done about the one-eyed, no tail-lighted cars which play our roads day and night. Patrolman Varner will start the first of the week patrolling the road between Canal Point and Clewiston in an effort to correct some of the flagrant faults which have resulted in wrecks and deaths of many residents.

Under date of November 21, 1940, I wrote a two page letter to W. F. Reid, Director of the State Highway Patrol, in which I cited him to the many infractions of the law taking place daily in this area. I pointed out to Mr. Reid the need of a state highway patrolman in this farming section where thousands of cars and trucks ply the highways daily. In short, I told the director just what reckless tactics are being used by hundreds of motorists in this area.

Under date of November 26, 1940, I had an answer from Mr. Reid, in which he said among other things that "we have assigned a man to work your territory and he will be stationed at Pahokee just as soon as he gets his equipment which we hope will be here by December 1st."

I met Patrolman Varner last night. He is a pleasant chap but firm in his convictions that human lives must not be sacrificed out because of recklessness on the part of those who drive their cars. He stated that his instructions call for a concerted drive in an effort to correct faulty lights on cars and other infractions of the law.

I understood from Patrolman Varner last night that he is to be located in Clewiston and will work this territory from there. I hope that he will be able to get to Pahokee or Belle Glade where he would have first hand opportunity to clear up driving law infractions. Anyway, he is to be near this immediate area and will in all probability, spend a great deal of time here.

Rardin Tells Club Women History Of Foot Ball In Glades

Cites Splendid Work Of Athletic Council Since Organized

Members of the Pahokee Women's club, met at the camp on Monday afternoon session, at an interesting program. Mrs. V. C. Denton, program chairman of the day, knowing that many of the members were foot ball fans, decided to have a foot ball game. The game was played in the camp, and was a very interesting one.

Paul Rardin, publisher of the Everglades News, presided over the foot ball game. He stated that it was in 1930 that the first team took the field, having been coached by Principal E. E. Bishop and Rev. T. C. Denton.

State Building Is On The Boom

Statistics on the Florida building program for the eleven months of 1940, show more than a \$4,000,000 excess over the entire record of 1939. The high records for the month of November were: West Palm Beach, \$256,135; Palm Beach, \$156,850; Miami, \$167,988; Miami Beach, \$141,852; Ft. Lauderdale, \$484,554.

Caudill Tells PTA Band Uniforms Are Now Paid For

The monthly meeting of the Pahokee P. T. A. at the auditorium, Monday night, was very well attended, and an interesting program was enjoyed by the play group did not show as had been planned. The program was presented by Principal Caudill, made several important announcements. One was the refunding of the band uniforms, which had been secured with a \$50 surplus, and that the uniforms were now being made up at the balance of the fund.

Scouts Enjoy Week End Trip

Scout Master Bleech, of the Pahokee Boy Scout troop, escorted the troop on a week end trip to Lake Worth, at Lake Worth, for a week end outing. The boys enjoyed the trip very much and all want to repeat the outing.

State Market Will Be Completed By Marketing Board

Officials Visit Pahokee And Make Inspection

Within the past week, members of the State Marketing Board visited the Pahokee state market site, to inspect progress of work being done there. They were much pleased with the progress and left the unofficial word that plans were being formulated to open the finished portion of the market soon after the New Year.

They also informed Mayor John Dulaney that whether or not the WPA joined in the work and expense of completing the building, the 500 feet yet to be constructed on the main building, that the board would complete it, as well as all other buildings planned in the original plans.

Drugs have excavated all the earth around the main building, and the board would complete it, as well as all other buildings planned in the original plans.

The Florida East Coast would put a rush crew on the job just as soon as notified, to do the grading and install the switch tracks of the market houses.

Rotarians Honor Army Selectees In Program Thursday

A. S. Anderson Of West Palm Beach Is Day's Speaker

The session of the Pahokee Rotary club, Thursday, turned itself into a patriotic affair, as Lori Betsworth, of the United States Army, Lipp, Selective Service commission, brought in two of these men who were at sea and were working in the shipyard at Belle Glade. The potatoes of good size and quality, but have been somewhat overdone by the weather in the workings. These potatoes are being shipped to northern markets, at a price of \$12.50.

One of the new growers in the Indian sector this year is Harry Holloway, of Belle Glade, who has several crops in progress, including cucumbers and peppers, which are giving big yield. Later in the season, much will be produced for the spring crop.

Some mighty fine peppers are coming in from local farms selling about \$2.00 a bushel. A total of 146 cars of vegetables went out by rail the past week, mostly from the Glades. The total for Belle Glade, 8; Pahokee, 17; and Canal Point, 20. Truck shipments were not so heavy as customary.

Meredith Speaks At Pahokee Church

District Superintendent W. V. Meredith, of the West Palm Beach District, spoke at the Pahokee Methodist church, Sunday, at the guest speaker at the Pahokee Methodist church, and delivered a most interesting and inspiring message. He conducted the quarterly meeting session, at which time church department heads made reports for the half of the current year.

School Parade Is Pronounced Success

The first public school jamboree and parade ever held in Pahokee was staged on Thursday afternoon, December 5, at the school house. A large crowd of people standing along the line of march, which was from the school house to the hospital and back.

The new Pahokee band, in its debut performance, stepped down the route like veterans. The band was hand all along the way, and the parade units of floats, delegations and bands, were most creditable. Some of the school floats were decidedly original and amusing in their conception and building.

The boys' troop, under the leadership of Scout Master Bleech, and the girls' troop, under the leadership of Miss A. H. Walker, of West Palm Beach, were also in the parade. The boys' troop, under the leadership of Scout Master Bleech, and the girls' troop, under the leadership of Miss A. H. Walker, of West Palm Beach, were also in the parade.

Scouts Receive Aid From Song Royalty

While every one may not know Irvin Berlin, the noted song writer, they do know his song "God Bless America" which is now "God Smith's" end time song. Report is that Berlin has directed that all royalty income from the song, shall go to a foundation to aid Boy and Girl Scout activities in America.

Cook To Handle School Bond Deal

The bond firm of Thomas Cook and Company, of West Palm Beach, has been named by the County Board of Public Instruction as the agency to sell the \$970,000 bonds for the school building at Belle Glade. The company contracts to make sale of the bonds at not less than 100.

Bean Shipments On Decline As Prices Are Upped Slightly

Growers Still Hoping For Profitable Returns From Glades

Bean prices in Glades markets showed an upward trend the past week, as the supply of beans was not heavy, or extra in quality. Beans brought from the Glades, as much as \$2.00 a bushel, and the Florida East Coast would put a rush crew on the job just as soon as notified, to do the grading and install the switch tracks of the market houses.

AUTO TAGS

There is a great deal of discussion over the state just now about the automobile tag which will grace the rear ends of Florida cars beginning with Dec. 1.

Managing Secretary Harold Cole of the state chamber of commerce broached this matter of better advertising use of auto

tags at a meeting of the directors of that body. He protested black and white as too neutral to attract attention. "Florida automobiles," said Mr. Cole, "should carry brightly colored tags expressive of the youthful vitality and exuberance of the state. Red, white and blue could be used in combination with other colors."

Of course, better, though, that we hit upon some distinctive design and maintain its use. For instance some years ago our tag carried an outline of the state in orange color. There was no mistaking what state's tag that was, and it was a most effective bit of advertising. We might start with that as a basis and vary the remainder of the design from year to year.

There is a lot of advertising to be gotten from our auto license tag—if the matter is given thought.—Bradenton Herald.

Here Are a Few Things That Happened 15 Years Ago In The Glades

and Were Recorded by The Everglades News

A bazaar will be held at the Woman's Club house December 8. Many beautiful hand-made articles will be on exhibit. This will be your opportunity to buy your Christmas gifts.

Advertising in the Everglades News pays F. E. Tiffin of Pahokee, Fla., general manager of the Tiffin Brothers Automobile Dealers. He reports several sales of cars made in direct result of the firm's advertisements.

F. V. Patterson, general manager of the Central Highway, reports that traffic is heavier on Conners Highway than it was at this time last year.

Purchase has been made by the

Conners Highway, Inc., of a weed

burning machine that will be used

to clear the shoulders of the road.

The only bad thing about having a

highway through the country of

the richest soil is that vegetation

grows so luxuriantly that it has to

be fought to keep it from grow-

ing over the paved surface. The

machine travels at a slow rate and

throws a flame 4 feet. Oil is the

fuel.

The Western Union Telegraph

Company has promised the Florida

East Coast Highway that it will

at once install a wire of its own

in Canal Point.

Mrs. S. F. Shackford, aged

about 50 years, who came here a

few months ago from Kennebunk,

Maine, died Tuesday morning at

the home of her son, W. F. Shack-

ford, 5 miles north of Canal Point.

Judge Adams takes

UP High Court Work

Judge Alto Adams, of St.

Pierce, on Monday became the

seventh justice of the supreme

court of Florida. His induction

into his new office was without

pomp or ceremony. The need of

the seventh justice was stressed

not only for the heavy docket

which the court has to handle,

but to do away with tie or split

decisions of the high tribunal.

A fire was discovered at the

Baton Point pump house, Sunday

afternoon, but was extinguished

without a great deal of damage.

The Pahokee fire department

answered the alarm, but volun-

tarys had the blaze under control

by the time the alarm arrived on

the scene. A bad fire might have

developed, as there were some 6,000

gallons of distillate stored in the

plant.

TOO LATE TO CLASSIFY

By Russell Kay

The advantages Florida offers those in search of health has long been recognized. Doctors great and small have prescribed a dose of "Florida" for their patients for many years.

Chambers of commerce have done their bit to remind the world that Florida with her mild balmy climate, her clean fresh air, health giving waters and abundant fruits and vegetables, offered a haven for those in poor health and a land of bright promise for those who would stay in the prime of condition.

A few years ago a great international known surgeon established the Florida Medical Center of Venice and since then thousands of patients from all over the world have journeyed here to regain the most precious of all possessions—good health.

Not long ago, on my way to "Alma," a hospital for a visit, my secretary Chas. of the Venice Chamber of Commerce and he accompanied me with some amazing facts concerning experiments in diet that have been conducted for several years which hold potentialities for further making of this state from a health stand point.

For a considerable time Dr. Fred H. Albee, head of the Florida Medical Center, has been keenly interested in the subject of "Mineralized Foods" and their relation to health, the restoration of health, and the prevention and cure of disease.

It was the Doctor's belief that through scientific fertilization minerals and vitamins could be introduced into fruits and vegetables in varying quantities and controlled so that fruits and vegetables so grown and fed could be depended upon to provide a patient with a given amount of such needed foods and chemicals. He also believed that through scientific feeding, mineralized food and mineralized milk and dairy products could be likewise produced. He set his chemists to work on the problem and for several years the fruits, vegetables, beef and dairy products produced on the farms operated by the Florida Medical Center have been given experimental feeding and fertilization.

Patients, whether surgical or medical cases, are carefully checked to determine their deficiencies in vitamins and minerals and then a diet designed to provide the needed elements is worked out.

Just as the original, in filling a prescription, reaches up on the shelf and from this or that bottle takes a given amount of certain substances to concoct the medicine prescribed, dietitians at the Florida Medical Center, referring to the patient's chemical and vitamin analysis, work out a diet that will correct their deficiencies, once the medicine comes in the form of delicious fruit ripened oranges and grapefruit, delightful fresh vegetables such as lettuce, celery, carrots, turnips, greens and the like.

The diet prescribed may include a juicy steak of mineralized beef and a large glass of raw mineralized milk.

Records kept by the Institute show that remarkable results have been attained. These special diets have aided all types of patients restoring them to perfect health and speeding their recovery.

During the past few years the subject of "mineralized foods" has been given more and more attention. Efforts have been made to provide fertilizers for citrus trees that contain minerals especially needed by the tree and that would insure its growth and cause it to bear finer fruit. Results in this direction have been very of service.

Now through the research of the Florida Medical Center our fruits, vegetables, beef, and dairy products are being prepared so that an experienced physician after knowing of patient's requirements can prescribe a diet that will give the body just the elements it most

Do You Have
An
American
FLAG
In Your Home?

Here's

An American Flag Set

The flag is well made, durable, fine quality (measures 40" X 36") with seven stripes and printed stars with strong lustrous 6 foot pole, ornamented with a gilt ball top. The halyard is 1 1/2" long and a silver metal window bracket makes it easy to attach your flag to your porch or window sill.

Quick Coffee Cake Fills Many a Bill

If it's company that drops in for an overnight, or a case of wanting to "treat" the family, a quick coffee cake dressed up almost any breakfast.

When prepared to bake extra, but time limits you, then the new self-rising flour is a good friend. Baking powder and salt are ready-mixed into it and evenly, too, to your precious time is saved. Just mix in fat, sugar, egg and liquid, and the coffee cake is ready for the oven.

But here is the exact recipe:

Quick Coffee Cake.
Cut or rub 2 tablespoons fat into

You Wouldn't Read About A Wedding On A Billboard

If a member of your family died, would you print the resolutions on a billboard?

If you were going to enlarge your business, would you advertise it in a hotel registry?

If you were going to have a wedding in your family, would you get out a handbill?

You would send such items to the newspaper, wouldn't you?

Then why don't you put your advertisements in a newspaper?

The newspapers build your community. There is no better advertisement in the world for a town than a good newspaper. Show us a good newspaper full of advertising, and we will show you a good town full of live merchants.

Newspapers are town builders. Town advertisers, fortune makers, news disseminators, sermon deliverers, prosperity forecasters. They are a necessity, not a luxury. They must be maintained. Without them we would retrograde to the medieval days.

Don't patronize them from a charitable standpoint. Patronize them because they deliver the goods—that is if they are the right kind.

Seeks Caution By Hunters In Woods

TALLAHASSEE, Dec. 5.—Be careful before you shoot at a moving object in the woods!

It may be a C. C. worker, or another hunter, and not the bird or animal you thought you saw.

That's the warning issued by I. N. Kennedy, Executive Secretary of the State Commission of Game and Fresh Water Fish, in cooperation with J. J. McIntee, Director of the Civilian Conservation Corps.

There have been relatively few serious and fatal accidents in the past," the director said, "because

of the fine cooperation of your Department and the splendid consideration of the hunters."

He requested that all hunters refrain from hunting within rifle range of any camp or work project in Florida. Each camp has been authorized and requested to post warning signs within one-half mile in all directions surrounding its boundary and work projects, and to enforce certain safe practices among enrollees.

A long-time dream of many Walton county citizens becomes a reality this week when the State Road Department signs a 20-year lease, taking over the new Choctawhatchee Bay Bridge. The bridge, including fills, is 3.7 miles long.

Sugar Production May Be Low In La.

Reports from the state of Louisiana are to the effect that estimates show that the state will have a much reduced sugar cane harvest this season, more than a million tons less than in 1939, and a 110,000 tons less raw sugar. This is reported as being due to adverse weather conditions, and the frost of last spring. Hopes are being entertained that some of the quota assigned to that state, and which will not be used may be transferred to the Florida area, to take up the excess tonnage and raw sugar production.

Rev. Beard Will Leave Pahokee

Rev. S. V. Beard, pastor of the Pahokee Baptist church, has returned from an extended business trip to Hollywood, Tenn. At the weekly service last Sunday, Beard, stated to his congregation that he had made contact with several churches in his native state, and was now expecting a call to a pastorate there, and that when it came, he would not once take steps to terminate his personal relations with the Pahokee congregation, which he has served for the past three and a half years.

Ted Opens Cafe In New Building

Judge Tedder's new building in Belle Glade is now nearing completion, and equipment for a complete restaurant and soda bar and cigar stand is being installed. The opening is planned for Saturday.

Judge Tedder has named his new establishment, "Ted's place," and will operate it in connection with the Tedder hotel, under his own management. At the rear of the building, the Judge, will fit up a business office for his own use, as well as for the Peace Justice work, which position he will assume after the first of the year.

Glades Happenings

Miss Sue Maxwell was the guest of friends in Venice during the Thanksgiving holidays.

Mr. Glade Mallard of Cross City was the guest of Mr. and Mrs. W. H. Vann during the holidays.

Misses Reta and Nellie McQuig of Greenville were the guests of Dr. and Mrs. D. C. Thompson during the holidays.

Dan Dechman and son Dan of Bunnell were the weekend guests of Mr. and Mrs. T. M. Dechman.

Miss Maida Harrington, who is a sophomore at Southern in Lakeland, spent the Thanksgiving holidays with her parents Mr. and Mrs. J. S. Harrington.

Mr. Raymond Christian and son Tinker spent Thursday and Friday with Mrs. Christian's parents, Mr. and Mrs. R. S. Sanders, in West Palm Beach. Mrs. Sanders accompanied them home for a visit.

Mr. H. M. McIntosh, daughter Annette, and Miss Doris Phillips spent Thursday in Wausau with friends and relatives.

Mrs. Frank Bass returned to her home Friday from Venice where she and daughter Sandra visited Mrs. Bass' mother, Mrs. Davis. Sandra remained with her grandmother for an indefinite visit.

Mr. and Mrs. Tommie Griffith were guests of relatives in Moore Haven Thanksgiving day.

Miss Julia Brewer and Sidney Brewer of Ft. Pierce visited their brother Frank Brewer and Mrs. Brewer Saturday.

Donald Hand of Sarasota spent the holidays with Mr. and Mrs. W. Barrett.

Mr. and Mrs. Anderson Christian, visiting relatives in Tampa, will, Christmas, be at the home of Mr. and Mrs. W. Barrett.

Mr. and Mrs. Steve Dechman of Palm Beach, were the guests of Mr. Dechman's parents, Mr. and Mrs. T. M. Dechman, Thanksgiving.

SCHOOL LAD HURT
John Pounds, school lad, attending the foot ball game, rambling the space outside the bleachers, ran against a light pole which contained a fire works attachment. The attachment hit him on the head, injuring him seriously. His deep head laceration was treated at the Everglades Memorial hospital, and he was permitted to go home.

GIVE JEWELRY This Christmas. A small deposit will hold any article until Christmas on our lay-away plan. Jordan Jewelry Store, Pahokee, Fla.

TURKEY DINNER

The annual turkey dinner which is enjoyed by the members of Pahokee's Manfield Legion Post and Auxiliary, was staged at the Woman's Club, on Monday night, and a good time was enjoyed. The after-dinner hours were taken up with dancing and cards.

TO DO CANAL WORK

Draglines of the U. S. Sugar corporation are soon to be busy on rehabilitation work on the Divisional canal of the South Florida Conservancy District in the South Bay region. The company took the contract to excavate 20,000 yards of rock and 15,000 yards of muck.

GIVE JEWELRY

RECEIVES HEAD WOUNDS

While riding on a truck with companions going to fishing party, Saturday afternoon, Joann Rosenberg, daughter of Mr. and Mrs. Harold Rosenberg, fell from the truck and struck her head on the hard road, inflicting several wounds, one of which required surgical care.

'CHOKEE CLOSERS SCHEDULE

The Okeechobee foot ball team will play its last game, this Friday night, when it meets Arcadia. The cutoff team has won games from LaBelle and Melbourne, and has suffered five conference defeats.

EXTRA CLERK

Mrs. Moelle Brewer is serving as an extra clerk at the Pahokee post office until the holidays. Postmaster Jensen reports that parcel post business is showing an extensive increase, as is customary at this period of the year.

WHISTLE STICKS

An engine whistle on the Florida East Coast "roadbug" freight train, Monday night, got stuck at Belle Glade, and could not be repaired. The train made its run as usual, but as it passed over the northbound route the wall of the whistle was to be heard for miles around.

FIRST LEA BEANS

First time beans of the season were offered at Canal Point, Thursday and brought \$3.50 a hamper.

RINK IS OPEN

Leo Maxwell reopened his rink on Saturday and reports a good patronage, but had a larger crowd on Sunday than on Saturday. Patrons expressed approval of the many changes that Mr. Maxwell has made during the shut down period at the rink.

GIVE JEWELRY

This Christmas. A small deposit will hold any article until Christmas on our lay-away plan. Jordan Jewelry Store, Pahokee, Fla.

LEASES COTTAGE

Al Hildreth, one of the sales agents for the Christian Chevrolet company, has leased one of the cottages at Lakeside camp on Bacon Point road, by his residence.

HAS A BIRTHDAY

The Everglades News extends to Mrs. Nola Dragon, its congratulations on having reached another birthday celebration. Many of her friends remembered her with a birthday card shower.

ENTERTAIN VISITORS

A number of business men from West Palm Beach and the Glades, who are backers of the foot ball teams of this town, enjoyed a pre-game buffet dinner at the Glades club, Thursday from 5 to 8 o'clock.

HURT BY GUNFIRE

Bob Crouch, of Lake Harbor, had his shot gun so prematurely explode in his face, as he was aiming at a flock of wild ducks. The kick of the gun struck Mr. Crouch receiving a pair of black eyes and other face wounds.

GET CONTRACT

Holloway and Bryan, of Belle Glade, have moved one of their big dredges to the St. Louis lake where it will do a contract of excavation work for the Government. The work includes the elimination of the present curve that leads into the new locks.

CCC IS POPULAR

Report is that for every vacancy occurring in the CCC ranks, there are three applicants to fill it. Each boy is given \$20 a month in keep, and of the former \$22.00 is sent back home to the dependents. Boys can enlist for six months service, but can get extended to 40 weeks.

SEEK RIGHT-OF-WAY

The State Highway Department is having difficulty in securing right of way for the new Road 29, known as the Ridge route. Avon Park council has granted right of way, but Sebring has refused, and his latter act may throw a money wrench in the entire road program.

LAKE WORTH "B" WINS

A small audience, braved the windy blast, Tuesday night, to see the Lake Worth foot ball game between the "B" team from Pahokee and Lake Worth. Lake Worth played the better ball and won by a score of 19 to 0.

GIVE JEWELRY

This Christmas. A small deposit will hold any article until Christmas on our lay-away plan. Jordan Jewelry Store, Pahokee, Fla.

BATCHES ON NEW JOB

Prof. D. D. Crowley, who has been employed by Olaf Boe, is now employed by the Alameda Bottling Company, at Pahokee, assuming his new relations last Monday.

ATTEND CONFERENCE

Prof. D. D. Crowley, L. L. Shriver, Carmine Salvatore, Prof. James Cox, Prof. L. W. Bartlett, Irving Johnwick, were in West Palm Beach, Wednesday, attending a school conference with Colin English, state superintendent of public instruction.

BASKET BALL

A call for recruits for the Pahokee Blue Bell girls basket ball team, brought out quite a flock of the girls, Monday, who have interest in trying out for the team.

NEW OFFICE

The Geiger Air Service now has its office located in the offices formerly occupied by the Geiger Lumber company on Belle Glade road.

TO LEAVE HOSPITAL

RE-APPOINTED

W. M. Taylor has been re-appointed State Hotel Commissioner by Governor Fred Goetz.

Hospital Shower Is Big Success

The hospital shower given to the Methodist Episcopal Church of Pahokee, at the Woman's club, on November 27th, is reported as a complete success.

As a result of solicitation many gifts of varied type were brought in for presentation to the Everglades Memorial hospital, including paint, enamel, brushes, curtain material, dishes, cooking utensils, and around \$100.00 in cash for the purchase of food.

An interesting program was presented at the club house, with Mrs. H. L. Speer presiding as chairman. Later the 60 or more guests were served refreshments of tea and cookies. The societies are happy over the generous response made to their appeal.

Mrs. Schwine, superintendent of the hospital, expressed appreciation for the fine shower, stating that the showering was most useful, and also complimented the societies for this kind act to humanity.

Rotes Enjoy Evening Meeting

The Belle Glade Rotary club had an evening session at the Community church, last Friday night, at which they entertained the Rotary Ann, and a most pleasant dinner and program was presented.

Attends 4-H Club Meet In Chicago

Miss Lucile Barnes, of South Bay, a Pahokee High Junior, left on Friday, for Tallahassee, where she joined the other Florida 4-H club delegates, for the 4-H club convention.

Miss Barnes, who represents Palm Beach county, was accompanied by her parents, Mr. and Mrs. A. B. Barnes to Chicago. Lucile carried with her a new camera, a gift from South Bay friends, and she hopes to bring back many pictures to show to her club and school mates.

Communities' Plan Christmas Fetes

The Belle Glade Parent-Teachers association is putting on a membership drive and expects to enroll at least 150 members. The Association will also plan a Christmas fete for the schools. At South Bay there is a Christmas entertainment on December 20th, for children, which is providing an afternoon program, and the junior high school, a play in the evening, to be followed by the Community Christmas tree celebration.

Will Present Play On Sunday Night

A group from one of the departments of the Baptist church on Sunday night, will present a dramatic production entitled, "Her Lengthening Shadow". The play depicts the life of Little Moon, famed Missionary worker in that dominion. Each year the church has an anniversary for this woman, and at same raises many thousands of dollars for the missionary cause in China.

Benny McClelland Has Birthday Party

Mr. and Mrs. Demp McClelland, on Tuesday afternoon, entertained a group of school friends, to honor the eighth birthday of their youngest son, Benny. The afternoon was spent at games and Mrs. McClelland served ice cream and cake. Benny was recipient of many gifts from his guests.

The guest list consisted of the following: Annette Groover, Sarah Ann, Betty Joy Glidden, Patay Ann O'Leary, Opal Hires, Pauline Dowling, Ingeborg Laitrey, Harlan Sears, Charles Sears, Edward Hart, Spenser, Jackie Register, and Buddy Sims, Solomon Hires, Nathaniel McClelland.

Miss Lorna Lapp Has A Birthday Party

Miss Lorna Lapp, daughter of Mr. and Mrs. L. L. Lapp of Canal Point, celebrated her second birthday anniversary on Tuesday of this week at the home of Mrs. G. C. McFarly. Southern Dairies of West Palm Beach gave Lorna a beautiful ice cream birthday cake which was enjoyed by several of her little friends.

Large Crowd Hears Singers

Some three hundred people gathered at the entrance to the Community church, Wednesday night, to hear a quartet of four young men, from the City of Chicago, sing. The quartet consisted of four young men, from the City of Chicago, who were singing in the church, Wednesday night.

Mrs. Powell Visits Relatives In Georgia

Mrs. Ora Powell returned to her home in Pahokee Monday after spending a week with relatives in Georgia. While there she visited her son C. E. "Snooky" Williams who was recovering from pneumonia in the Jella hospital at Reidsville.

He was returned to the Georgia Military Academy at Milledgeville where he will soon resume his studies. Mrs. Powell also visited her brother J. Edward Thompson who is located at Savannah Air Base in Uncle Sam's Army. She reports that the former assistant cashier of the Bank of Pahokee is well pleased with army life and is getting along exceptionally well in his new surroundings.

John Piddget of Pahokee is also located at the Savannah Air base. Mrs. Powell said.

Grand Electra Is Pahokee Visitor

Pahokee Chapter, Order of Eastern Star, on last Thursday night, had the honor of entertaining Mrs. Mabel Ramsey of Miami, who is Grand Electra of the Grand Chapter, as the Chapter was observing "Electra" night.

Mrs. Ramsey gave a most pleasing address, during which she spoke of the Masonic Home at St. Petersburg, in which the Stars are interested as a supporting unit. The Chapter made a handsome silver offering for the Home, which was turned over to Mrs. Ramsey.

Mrs. Austin Taylor, of Pahokee chapter gave an interesting history of the Order of Electra, who is honored by wearing one of the points of the star.

Mrs. H. L. Speer was in charge of program and serving, and a committee served refreshments during the enjoyable social hour.

Telephone Needs

MANY southern industries are strenuously at work building new plants, expanding existing ones and generally gearing their facilities and man-power to advance the nation's defense program.

It is a tremendous and urgent job they have taken on. Their rapidly increasing communications needs create an equally important job of service expansion for the Telephone Company, including the engineering and installation of enlarged telephone facilities in many localities.

These industries are going ahead with their production and expansion activities and plans, with confidence that the Telephone Company will meet their telephone needs promptly and fully. Their daily requirements are being provided now, and the thousands of highly trained telephone workers are prepared with materials and experience to meet whatever service demands the future holds.

Southern Bell Telephone and Telegraph Company

C. S. Moore Dies At Health Resort

It was with deep sorrow that the community learned of the death of C. S. Moore, of Pahokee, at Asheville, N. C., on Thursday, Nov. 27th. Mr. Moore was 65 years of age.

Mr. Moore was a native of the South and had spent much of his life in the South. He was a member of the Methodist Episcopal Church and was a devout Christian.

Mr. Moore was a man of high character and was highly esteemed in the community. He was a member of the community and was a man of high character.

FFA Group Has Profit On Beans

At the regular meeting of the FFA Chapter of the Future Farmers of America, Monday night, some interesting committee reports were presented. One of these was from the Agricultural committee, on the bean project. It was reported that from 10 acres of beans had been harvested, 1685 bushels had been produced and after payment of costs of production and marketing, the chapter would net in excess of \$300 for its treasury. The same Bacon Point tract will be re-planted to cabbage for another income crop. While Hartman, of Lima, Peru, was the speaker of the evening, and he told the boys much valuable information about his own country of Peru and other South American states.

Three Glades Men Off To The Army

The Selective Service Board of District 4, of Palm Beach County, with headquarters at Belle Glade, has filled its quota of three white men for the first call, but the four colored selectees have not yet been chosen.

Van J. York, well known Pahokee young man, a graduate of the Agricultural department of the University of Florida, was called to district list. Ernest W. Harper, of Pahokee, is the third man in the list and Earl Dunaway, of Choctawhatchee, the second man selected to serve.

These men will go to Fort Benning in Georgia on December 10, to enter upon their year of national defense work.

Patriotic Sign Presented S. hool

In the chapel room of the Pahokee High school there is a new illuminated electrical sign display. These days which reads "God Bless America." Julian Chandler, presented the sign to Principal D. D. Caudill, who in turn placed it in the school, as a gift to the remind pupils of the value of loyalty and patriotism.

Engineers Make Mileage Survey

Engineers of the State Highway Department have computed the mileage over new state route No. 26 from South Bay to Miami, via Ft. Lauderdale, as 78.50 miles, and some shorter by Hialeah, when that 14 mile stretch is opened. On the route there are three bridges and only six small curves, and one straightaway drive of 27 miles. Reports made that the Hialeah branch grade from Aubrey will bend into Miami will not be surfaced until a later date, so that when the road is opened to traffic, possibly in February, the route will be through Pompano and Ft. Lauderdale.

Here Are The New County Champions — Palm Beach Wildcats

Reading left to right, front row: James Bridges, Sam Reed, Warren Hobbs, G. P. Mauro, Burleigh Hale, James Powell, Bob McDonald. Back row: Bill Grousser, Bob Davis, Marion Clemens, Jack Thompson, Ralph Widell, Guy Lewis, R. Albright, Eugene Whidden. Standing in third row: Jack Gardner, Worth Fagn, George Jones, J. K. Harris, Bill Hughes, Tom Lee, Bill Lane, Dick Harris, Tom Miranda, Ed Ehinger. This group of Palm Beach High School youngsters, coached by Clyde Crabtree, won their first game from the Pahokee Blue Devils in four years on Thursday night when they won 14 to 13 to clinch the county championship.

Palm Beach County Champions in 1938 & 1939 — The Blue Devils

Reading left to right, front row: David Unwin, W. L. Cunningham, Joe Murphy, Jimmy Allen. Second row: Calvin Peacock, J. F. Bridges, Ross Bleach, Carl Cowen, Claude Jones, Vance Denton, Roy Kautz, C. R. Wetherington, Walker Pears, W. A. Stevens, Mike Sanders. Third row: Reed Collins, Harold Henry, Earl Wilson, Richard Howell, Clarence Kidder, Henry Kilpatrick, Billy Stone, Donald Ogle, Jordan Parker. Above are pictured Coach Frank Hobson's Pahokee Blue Devils who dropped the county championship title to the Palm Beach Wildcats after a thrilling battle which ended 14 to 13.

Spirits are not so ebullient this Friday morning, as we endeavor to write a story of that foot ball classic of Thursday night, between the Wildcats of West Palm Beach and the Pahokee Blue Devils, for the reason that we had hoped to write a victory story rather than one of defeat, for those Wildcats took us for a fall by the close score of 14 to 13, and the county championship is well theirs.

Glades foot ball fans still have the highest opinion of the Blue Devils, who played a bang-up game of ball against a stronger team, well backed with reserve players, which Coach Crabtree did not hesitate to send into the game as occasion demanded. The largest crowd that has ever appeared at Laird field was on hand to witness the game, and they did not go away disgruntled with the evening's entertainment. Weather was ideal for the sport, even though heavy clothing was worn, and blankets were wisely brought by many in the audience. It was a real holiday event, and was set off by the decorated goal posts, done in white and blue, white and red, the colors of the contending school teams.

When the two teams lined up, Pahokee was defending the south goal, with Palm Beach getting the kick off and having a shade on the weight. The officials of the evening were Referee, Coach of Pahokee; umpire, Spooner, of Pahokee; line judge, Cobb, of West Palm Beach; field judge, Large, of West Palm Beach, and they turned in satisfactory work.

The game
Peacock took the kick off on his own 10 yard line and skirted along right end back to the Cat's 43 yard line. From this point on through the entire game, the Cats were laying for the fleet, versatile Pahokee quarterback, and were none too gentle with him, and as a result drew several heavy penalties.
Peacock was forced to punt a fourth down when the Cats took

over the offense. By some clever playing, in which Harris, Bridges and Hughes were used as groggy gainers, by line, end runs and passes, a touchdown was soon scored and the conversion point called by Lee.
It was not until the third quarter that the Cats got into play territory, and Bridges lunged over a right end for the second and final touchdown, along with a pretty kicked conversion point.

Pahokee got its first score, when Peacock got away, and then passed to Bridges, who took it for 23 yards and a touchdown. Peacock plunged the end for an additional point. Late in the fourth quarter, Peacock got the ball on the Cat's 23 yard line, went around left end at the upper goal line, and scored a touchdown. A pass was sent to Peacock back of the line, but the play was called back, as both teams were off side, and that no doubt prevented a tie game, for when young Unwin tried another pass in the same spot, he sent the ball into the ground where Crabb's team, for they play at the best game of the season. In Harris, Bridges and Hughes he has a trio that any team would be proud to possess, and it was through their fine work, aided by the other team's mistakes, that the Cats lost the county championship to secure.

Stevens, Pahokee's center, was twice carried from the game with leg injuries.
No discounting the fine playing of Crabb's team, for they put up the best game of the season. In Harris, Bridges and Hughes he has a trio that any team would be proud to possess, and it was through their fine work, aided by the other team's mistakes, that the Cats lost the county championship to secure.

West Palm Beach Band, directed by Prof. Frank Sturdivant, a fine uniformed and playing unit, made a pretty picture as it drilled and played between halves. Prof. Robert Langley's young band likewise made a fine showing and got a round of applause from the big audience as it put on its parade.

Many of the Pahokee reserves sat on the side line, hopeful of getting into the game but possible victory was of more import than personal record and a letter, as so Hobson sent in reserves only when needed.

It was noticeable that many of the former players on the Blue Devils team were present at the game, and pulling hard and hustly for the home boys.
The season end fireworks were noisy, loud, smoky but pretty.

Welatka Leaves For Jacksonville

The government dredge Welatka, which has been docked at Port Mayaca, for the past three weeks, undergoing repairs and painting, on Monday left the port for Jacksonville, where it will await orders. After this week, most of the machinery and boats used on the lake improvement work will have been removed from the section, except that detained for use at the Cleviston substation.

TEAMS TIED
Computation of figures in the Indian River conference, shows that Ft. Pierce has the lead, with Vero Beach and Stuart tied for second place honors. Pahokee and Blue Devils played Ft. Pierce and Stuart in this conference, losing to the former and winning from the latter.

Stuart will loose but 2 players by graduation this year, namely, Elston Tilton, end, and Ralph Hartman, tackle, so that the team will have a good line up for the 1941 season.

The Pahokee Blue Devils will need to build up another team next year, as the following 1940 players will graduate, Peacock, Stevens, Kilpatrick, Knapp, Fears, Bleach, Allen and Wetherington. Now that the big college teams have all played out their schedule, it looks as if the New Year bowl games would line up as follows: At the Orange Bowl at Miami: Mississippi State Maroons against Georgetown university of Washington, D. C. At the Rose Bowl at Los Angeles, Stanford vs. Nebraska; at the Sugar bowl at New Orleans, Tennessee vs. Boston college; at the Cotton bowl at Dallas, Texas, Fordham vs. an opponent yet to be chosen.

League of Women's Aid
National Day's tournament will be held from Dec. 15 to March 16, Lamar Thompson, chairman of the committee, announced last week. Polders giving aid on Sunday and taking in that section are being printed for distribution.

Peach Cake Is Good Come-On

MAYBE it's an eating you want next Sunday, or help with the curians.
Whatever you wish from your family, a special Peach Cake for dinner will help win it. For right-hand aid on this dessert, try the new self-rising flour now on the market. The new product has lots of advantages over the old self-rising flour, because action is slowed so that by the time your cake is mixed, the baking powder is only starting to work. Thus, you lose none of the "rising" power.
Here is the recipe to try with the new flour:

Peach Cake.
Cream 7 tablespoons of a scant 1/2 cup fat. Add 1/2 cup sugar. Cream until sugar has dissolved. Add 1 egg and stir in thoroughly (do not beat). Add 1/2 cup milk and 1 1/2 cups self-rising flour alternately. Add 1 teaspoon extract. Pour into a greased and floured cake pan, and bake in moderate oven (350 degrees F.) about 30 minutes. While it bakes, crush 1/2 cup peaches and half the whipping cream. Add top layer, and pile with other cup of crushed peaches and whipping cream. Garnish with peach slices.

Board Okes Leonard Move

The Palm Beach County Board of Public Instruction, on Monday, made an inspection of the Glades schools, with a view of looking after the purchase of additional school lands at Canal Point, Pahokee and Belle Glade. The land at Pahokee and Belle Glade will be for the proposed improvements for the colored schools in those towns. At Canal Point the land secured will be required for recreational purposes and the new cafeteria.

Hunting Trips Bring Their Rewards

Messrs. Sanders, Christian and Abitash, took a week end hunting junk into the Palmdale section of Glades county, and returned with 39 fine birds.
Bobby Joe Sanders is mourning the loss of his black and tan hound, with answers to the name of "Sam." The dog had been taken to the Mucky camp at Big Mound, and either wandered off or was stolen.

Lee Rawls and C. D. Bowen tried their luck at bird hunting Saturday, and report that they shot 12 birds and six rattlesnakes. Hunters report that there is a fine crop of quail this year, but the wild turkey are not so plentiful. Hunters returning from the Big Cypress report that the deer are scarce and very wild. Not many animals were reported killed.

IDEA REJECTED

The Florida Supreme court, Tuesday, by a 4 to 2 vote, rejected the petition from the Bar Association of Florida, which would have provided for streamlining of court procedure. The court held that it did not have the power to make the changes suggested, but they would need come through act of the Legislature.

The Florida Congressional delegation unofficially announced Monday that President Roosevelt is likely to include one or more stops in Florida on his projected inspection tour of Caribbean defenses. Just when or where the stops will be made were not stated.

Raulerson Is New Okeechobee Mayor

Election results in the Okeechobee municipal election on Tuesday, showed the following elected: Mayor, Hiram Raulerson; clerk, Miss Alma Sherman; councilmen, Bill Page, John Roe, Ode Raulerson, S. R. Ralfeysnyder and N. McMillen. Ralfeysnyder was the only one of the five councilmen who had ever sought political office and the four new councilmen defeated several of the present councilmen.

William C. Billitt, former ambassador to France and prominently mentioned as the successor to Joseph P. Kennedy who resigned Monday the post of Ambassador to Great Britain, was scheduled to arrive at Jupiter Island near Stuart this week.
